Augusta University Health has expanded COVID19 screening

Augusta University Health has expanded #COVID19 screening efforts and has announced that the free COVID-19. Virtual Screening app will now be available statewide.

As coronavirus cases continue to rise and testing supplies dwindle, @Augusta University Health is partnering with the Georgia National Guard to test 3D printed nasal swabs to fill the shortage.

Augusta University Health is proud to offer free COVID19 virtual screenings. Available 24/7 without ever having to leave home. Download the app to begin your virtual visit today. Augustahealth.org/covid19
